**About Oakland Leaf**

Oakland Leaf was founded in 2001 by a collective of East Oakland educators intent on empowering youth voice. Since that time we have developed into a highly regarded youth development institution providing free programming to upwards of 1,000 youth annually.

**Our After School Programming**

Comprehensive after-school programs emphasize development for middle school youth in social emotional learning, health and wellness, empowerment and leadership, arts and culture, and healthy relationship and community building.

**Our Goal**

Empower youth with the confidence to explore life with curiosity and excitement, advocate for themselves and their community, and catalyze change as leaders.

**Our People**

We are a collection of educators, artists, creatives, athletes, activists, life enthusiasts, and above all, passionate supporters of youth in our shared communities. If you possess the passion to make Oakland a more loving, just, and vibrant place, then Oakland Leaf might be the place for you to root in, rise up and branch out.
